## LOCAL FACE PAINTERS TO PAINT SMILES FOR TOYS FOR TOTS

Tallahassee FL. December, 2010— Tallahassee’s professional face and body art guild makes its debut this weekend as members volunteer with the Marine’s annual holiday toy distribution “Toys for Tots” this Sunday. Guild founders Karen Mercer of FairyDust Faces and Sharon Grimes of BodyArtFusion will bring their talents to the holiday event as a way of giving back to the community.

Staff Sergeant Alvin Figueroa figures there are close to 2500 recipients registered to receive gift through the Marine’s Toys for Tots program this year and fully expects several hundred children to accompany their parents to this weekend’s distribution.

The guild founders are unfazed, however, with Mercer adding that, “FairyDust Faces has just relocated from California where we were the exclusive face painters to many public events in San Francisco – crowds no longer faze us.” The North Florida Face Painting Guild has a wide variety of holiday designs they plan to offer the children at the event including full face reindeer and lovely ice blue winter princesses.

Karen Mercer, founding artist of **FairyDust Faces** and co-director of the **North Florida Face Painting Guild** is extensively committed to the success of art instruction in public schools and in local youth organizations. The **North Florida Face Painting Guild** is committed to the safety, quality and professionalism of face and body art in northern Florida.
